

American Pilgrims on the Camino *Hospitalero(a)* Training Fee Waiver Description & Guidelines

www.americanpilgrims.org

Purpose

The goal of the American Pilgrims *Hospitalero(a)* Training Fee Waiver is to make financially feasible for members of American Pilgrims participation in one of the organization's *hospitalero(a)* trainings. The fee waiver funds the registration fees for an American Pilgrims *hospitalero(a)* training. After participating in an *hospitalero(a)* training, you will be ready to volunteer in an *albergue* on the Camino de Santiago thus contributing to the pilgrimage's support and development.

Grant Criteria

The selection criteria for the grants include the following considerations.

- Fee waiver applicants must satisfy the requirements to take *hospitalero* training from American Pilgrims. The applicant:
 - must be a current member of American Pilgrims on the Camino,
 - must have walked at least 100 km (or cycled 200 km) on the Camino,
 - must be at least 18 years of age at the time of the training, and
 - must have overnighted in at least three non-private (municipally-, parochially- or association-run) *albergues* on the Camino.
- Financial need is a requirement for the fee waiver so the applicant is required to address financial need in his/her application. (See the financial need section in the application.)
- Fee waiver applicants will be required to address their specific plans, including planned timeline, for completing an *hospitalero(a)* training course and volunteering in an *albergue* in their application.

Fee Waiver Application Submission

The fee waiver application is on the next page. Applications are accepted on a rolling basis, and must be submitted electronically to hospitalerotraining@americanpilgrims.org **at least 60 days prior to an American Pilgrims *hospitalero(a)* training.** Applications (including essay) must be either Microsoft Word or PDF files. (Non-electronic submission is possible if requested.)

Fee Waiver Application Review

Fee waiver applications will be reviewed by a committee composed of American Pilgrims Board members and members at large. The committee will make a recommendation to the Board on which fee waiver applicants to select; final selection will be made by the Board. The fee waiver selection committee will attempt to have a diverse (across gender, ethnicity, geographic location, age, etc.) group of fee waiver recipients.

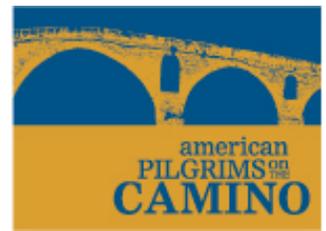

Funding and Post-Volunteer Responsibilities

Notification of funding will be made no later than one month before the *hospitalero(a)* training. After the *hospitalero(a)* training, recipients of the fee waiver will be asked to write a 100-word statement describing how the fee waiver facilitated their participation in the training; this statement may be used in *La Concha*, the American Pilgrims newsletter.
