Caminos

Frances 2016

Norte 2018

Introduction.

Not long after we retired my husband and I walked the Camino Frances from SJPP to Santiago. It was wonderful to share the experience together, and it was a healthy transition into retirement. The global community and breath-taking beauty filled me with awe and joy. After we returned from Spain, another pilgrim, Paul Patenaude, and I started the first American Pilgrims on the Camino chapter in Wisconsin. It is a delightful way to give back to the Camino. The chapter has grown rapidly and the monthly gatherings are always a delight. As interest in the Camino continues to grow in our area and around the world, I'm looking forward to serving on the board of American Pilgrims on the Camino and be part of the visioning toward a sustainable and healthy organizational response to the growing numbers of pilgrims.
