Introduction I first learned about APOC during my first Camino. A few months after my return, I decided to attend an APOC Gathering in Winter Park, FL. I immediately felt transported back to the Camino and to a very happy, peaceful place. I have attended every Gathering since. In 2013, I founded the South Florida chapter and a year after that, I joined the board because I love helping people find their way TO the Camino. I also enjoy the variety of people that I meet along the way and the friendships I've developed. Since diving into the Camino world six years ago, I've learned the importance of finding something you are passionate about and pouring your energy into that. As a result, I wrote my first cookbook, *Tastes of the Camino*, marrying two of my passions: Food and the Camino.
